17. REPAIRS & PROPERTY MAINTENANCE

Lessee acknowledges that they have inspected the Property and accept the Property in "as-is" condition for the use intended. Lessee understands and agrees that the Property, equipment and fixtures will be under Lessee's control and agrees to keep said Property, equipment and fixtures in a clean, sightly and sanitary condition. Management will make necessary repairs to Property with reasonable promptness after receipt of written notice from Lessee for major deficiencies, which create unsafe or untenable conditions. Major deficiencies are those requiring repairs to the Property's structure affecting habitability or to the following systems: electrical, plumbing, heating, built-in cooling, and built-in appliances and as further outlined below. Lessee shall make or cause to be made all incidental repairs such as: changing HVAC filters, unclogging drains & toilets, light bulbs, tightening screws, unclogging disposals, etc. Lessee may not paint, wallpaper, remodel or structurally change Property in any way or remove any appliance, lighting fixture, cabinet, door, window, lock(s), or any other fixture of any type or kind therefrom without written authority from Management.

All maintenance requests must be submitted in writing. Whenever Lessee has an issue at the property that requires maintenance, please click on the "Submit Maintenance Request" Button located at www.McCrearyRealty.com/maintenance. Lessee is not authorized to perform or contract for any repairs on the property. Neither Management nor the property owner will be responsible for any bills or invoices incurred by Lessee for any repair on the property. Lessee must contact Management so that Management can arrange for all repairs/maintenance on all systems, appliances, and the structure of the property.

Emergency Maintenance:

For all after hours emergency repairs, Lessee must call **770-427-5711 and choose option 3**. Lessee will provide the service with their name, property address, a call back, and the detailed nature of the problem. Management will endeavor to respond as promptly as possible, but the response time frame may extend up to 4 hours or more depending on the time of day or night that the call is received.

Issues that constitute an Emergency: Anything related to the property under lease that is a threat to life, health, or the property. If the situation is life threatening, Lessee must call 9-1-1 immediately and report to Management after the situation is under control and the authorities are on the scene.

Some examples of severe emergencies that require immediate attention: fire, flood, sewage back-ups, gas odors, roof leaks, lighting strike, broken water pipes, no heat when the outside temperature is below 45 degrees for more than 4 hours, no air-conditioning when the outside temperature is over 90 degrees for more than 4 hours, a fallen tree onto the house, etc.

Issues that do not constitute an Emergency: Some examples: Refrigerator not running, locking yourself out of the house, power or natural gas off, water heater not heating water, oven not working, dishwasher not running, electrical fixture not working. These items will be repaired during the normal business days and times and at the regular service rates. Neither Management nor the Property Owner is ever liable for any loss or damage to any of your belongings, including food, for any reason or cause whatsoever.

If you claim you have an emergency and we discover that one never existed, you will be charged the service cost from the contractor who responded to the call. This amount will be due with the next rental payment.

Routine Maintenance:

This sort of maintenance is non-emergency, but does need Management's attention for repairs such as non-emergency heating and air conditioning issues, broken windows, plumbing repairs, appliance repairs, loose railings, electrical issues, etc.

Minor Maintenance:

For very minor items, but those that still need repair such as leaky faucets, fence repairs, garage door openers, ice makers, etc., expect a response from Management by the next business day for an estimate of time for completion which could extend up to thirty (30) days depending upon the nature of the problem and contractor schedules.

Resident Damage or Abuse:

Lessee shall be responsible for the cost incurred for a service call and/or repair under the following conditions: (i) no problem was discovered; (ii) the problem was the direct cause of Lessee's negligence, misuse, or abuse; or (iii) the problem was for an area which Lessee already was responsible for in this Agreement. This amount will be due with the next rental payment. Management relies solely upon the service contractor to identify and inform Management as to the cause of the problem.

Appointments with Service Contractor:

If Lessee makes an appointment with any contractor and Lessee or a person 18 years old or older is not present when the contractor arrives, then the contractor will not enter the property and Lessee will be charged a fee for the contractor's trip cost. This amount will differ between contractors and will be due with the next rental payment.

When Submitting a Maintenance Request, please make sure that Management has your best contact mobile phone numbers & e-mail as Management, or the contractor, will call/text/e-mail to seek more detail about the problems that are occurring at the property. Failure to respond to the contact request will simply result in extended delays in someone getting out to the property. Lessee must provide as much detail as possible as to the nature of the problem when submitting their maintenance request.

No representation, warranties, undertaking or promises, whether oral, implied, or otherwise, have been made by Property Owner or Management, their agents, contractors, or employees to Lessee regarding said smoke detector(s), or the alleged performance of the same. Management neither makes nor adopts any warranty of any nature regarding said smoke detector(s), including expressed or implied warranties. Management shall give Lessee five (5) days written notice to cure said breach. If said breach is not cured, Management will cancel the Agreement and give Lessee a thirty (30) day written notice to vacate. Lessee's security deposit shall be immediately forfeited to Owner as partial liquidated damages.

Management will assess an administrative fee of \$50.00 per notice that must be sent to Lessee due to their default, breach, or violation. Lessee will need to provide photos to Management showing the default, breach, or violation has been cured before the date given on the written notice. If photos are not received, Management will go to property on the date specified in the written notice and an inspection fee of \$150.00 will be assessed to Lessee.
